2023 GYC Seminar

“Stuff,” we all have it... When the time comes to move - whether to a new house, an apartment or even assisted living - you can often be overwhelmed with where to start. Join columnist and author, Jean Long Manteufel, as she shares ideas, inspiration and thought-provoking stories for seniors as they navigate the life changes that come with making a transition. Bob Benzinger, NEBAT’s VP in Retail Banking, will be giving a short presentation on scams as well.
